SUBJECT: Funding for marginalised communities
(please specify)

TEXT:

Regulation (EC) No 437/2010 amends the ERDF regulation as regards the eligibility of housing interventions in favour of marginalised communities thus introducing new funding opportunities after 3 years of the start of the funding period 2007-2013. Up to 3% of the ERDF allocation of the operational programmes concerned can be spent on housing interventions. In line with the monitoring and reporting system applicable to the ERDF, data on the use and implementation of this funding opportunity has to be available.

How many operational programmes have been amended after the adoption of regulation 437/2010 in order to allow for the new funding opportunities?

Which percentage of the ERDF allocation of the operational programmes concerned has been spent on housing interventions in favour of marginalised communities by end of 2014?

Can the Commission provide the financial data on the allocation and payment of the funding opportunity and the monitoring data, based on output, result and impact indicators as introduced by Regulation 437/2010, disaggregated by Member State and category of expenditure for the years 2010, 2011, 2012, 2013 and 2014?
